

## A Special Invitation to Our Local PTG Friends

### **A SHIGERU piano**

is much more than the intelligent application of material, labor and design. It is an art form born not from the head, but from the heart.

Thus, the craftsman does far more than simply "build" it... he brings it to life.

The sensitive nurturing of every part, every joint, every subtle nuance vests each piano with an intangible quality... a soul... that lives on from generation to generation. And those who own a SHIGERU piano know that they possess not merely an instrument, but a partner in the musical pursuit of dreams.

As a member of the local Piano Technicians Guild you are invited to a special Open House to help familiarize you with the new *Grand Piano Haus*, *KAWAI* and specifically the *Shigeru Kawai*.

This is a chance to view our showroom and unique in-store performance hall as well as our product line. Spouses are certainly welcome and make sure to bring your discerning palettes as wine, cheeses and other refreshments will be served. Mr. Kitamura, a Shigeru Artisan Technician from Japan will also be there to help celebrate the opening of our new showroom.

**Piano Technicians Open House:**  
Friday, December 12 **4-8 PM**

**Grand Piano Haus location:**  
3640 West Dempster, Skokie, Illinois

An RSVP would be greatly appreciated. Simply call or email us and let us know the approximate time you might be able to stop by. We're excited about showing off our new piano dealership and explaining our commitment to offer the greater Chicago area TRULY Grand Pianos backed by the finest in technical support.

*We look forward to meeting you!*
